Can you think of some more ways to protect the environment?

My word bank
p. 69

Language focus

We should **stop** using disposable products every day.
leaving the tap on when we brush our teeth.

The traffic makes **so much** noise. **so much** → uncountable
Cars produce **so many** fumes. **so many** → countable

Phonics

The long 'a' sound

waste
away

Listen and find the letters with the long 'a' sound.

Please recycle cans, paper and plastic bags straightaway to save the environment!

Practice 1

... should **stop** using ...

You are members of the Green Club. Look at what Wasteful Walter does. What should he do to be a friend of the Earth? Tell your friend. 

A: Wasteful Walter leaves the tap on when he brushes his teeth.

B: That's not good. He should **stop** leaving the tap on when he brushes his teeth.

What should / shouldn't we do to become a friend of the Earth? 

What should we do to become a friend of the Earth? And what shouldn't we do?

You're right.

We should bring our own bag when we go shopping. We shouldn't throw away old newspapers.
